Grade 3 and 5 NAPLAN TESTING TIMETABLE FOR 2019

This year, NAPLAN testing for all Australian students, other than the Grade 3 writing task, is being conducted online. Grade 3 writing will continue to be done using pencil and paper.

In recognition of the need to ensure all students have access to suitable devices, we are able to conduct the testing over two weeks, provided we complete both the Grade 3 and Grade 5 writing task within the first two days of the testing period.

Accordingly, our testing timetable will be as shown below. It would be greatly appreciated if you could support your Grade 3 or 5 child by ensuring they get a good night's sleep before their testing days.

WOOLWORTHS EARN AND LEARN

We are excited to again be taking part in the 2019 Woolworths Earn & Learn program.

During the previous campaign, we were able to purchase some great resources with the points we earned, thanks to you.

From now until June 25th 2019, you can collect stickers at Woolworths that go towards Earn & Learn points. For every \$10 you spend at Woolworths (excluding the purchase of tobacco, liquor and gift cards), you will receive a sticker. These stickers can then be given to your children to collect on a special sticker sheet. Once it is completed, they can simply bring it back here to school or you can drop them into your local Woolworths collection box.

The more points we earn, the more we can redeem from a choice of over 10,000 educational resources including Mathematics and English resources, art & crafts materials and much, much more!

We are grateful for your support and look forward to a successful program.
