This year the SRC, along with a select group of teachers, will be raising money and awareness for men's health issues under the banner of 'Movember'.

Funds raised from Movember aim to bring awareness, education, research and support to those either directly or indirectly affected by prostate cancer, testicular cancer or mental health battles.

At the end of the month, the SRC will be holding a Pop-Up shop to sell biscuits and slices, with all funds raised going directly to our 'Illawarra Primary School Movember Team'. More information will be provided in the upcoming Whole School Meeting in Week 5.

If you would like to donate to our team please follow the below link or scan the QR code to find our page. Thanks again for your support and donations in advance.

STUDENTS ARRIVING AT SCHOOL BEFORE 8.30

Unfortunately there are an increasing number of students arriving at school early, with many students waiting at the gate not long after 8.00. Therefore it has become necessary to again remind parents and guardians that the school does not assume duty of care for students until 8.30. Unless students are catching a bus to school, students must arrive no earlier than 8.30.

The gate to the courtyard will not be opened until the first bus students arrive. Please support teachers in being able to use their valuable time before school to prepare for lessons by not sending children early. Teachers often have to speak to students in the courtyard or re-direct them to the courtyard when they are walking through the school.

We appreciate your support and cooperation in this matter.

STUDENT MEDICAL INFORMATION

As the year is coming to an end and classes are heading out and about on excursions, it is imperative that we have up to date medical information for all students to ensure student safety. If you believe your child/ren's medical information may have changed, please contact the office asap to update.
