WHOLE SCHOOL MEETINGS AT ILLAWARRA

Once a fortnight all classes gather for a whole school meeting which aims to support our social skills development and student well-being through building shared understandings about how we learn and treat each other at Illawarra. This gathering has a different purpose than assemblies.

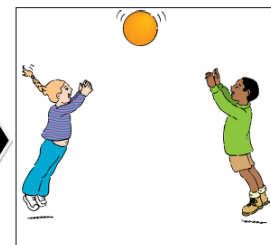

In order to reinforce our whole school expectations we will initially meet weekly at the start of this Term. This week 5/6 Waugh/Lohrey shared their class learning agreement which is co-constructed between students and the teacher. A class from each grade group will be sharing their class learning agreement each fortnight this term.

We also talked about our social skills focus for the next week which is 'Plan it = Play it'. This encourages students to think about who they will play with at break times and what equipment they might need so they can play constructively and in a safe, fair and caring way. Teachers will facilitate follow up conversations through class circle or class meeting discussions.

Once the SRC is elected they will assist in running whole school meetings as part of their leadership responsibilities.

Stay tuned for further updates on our social skills focus throughout the Term.

Plan it = Play it

Reminder – HATS

A reminder that caps are not sun safe as they do not provide neck, ear or side of the face protection. Only broad brimmed, bucket and legionnaire hats can be worn at school and can be purchased for \$10 from the office. It's also a good idea to apply sunscreen in the morning before school as the UV rating will continue to climb as the days get warmer.
